Lenzburg, August 2021

Declaration of conformity for synthetic material coming in contact with foodstuffs according to EU law and FDA

It concerns the following products:

Ball valve series A20D, AF20D, A21D, AF90D, AF94D, AF95D, AF96D

Herewith we confirm that the materials contained in the products above we deliver to you, such as seat, body seal and packing composed of PTFE virgin and PTFE glass filled comply with requirements such as:

The elements used to fabricate Polyflon PTFE virgin and/or PTFE glass filled are listed in Directive 90/128/EEC, 92/39/EEC, 93/9/EEC and in the German Bedarfsgegenstaendeverordnung dated 10.04.92.

The monomers of the above mentioned products comply in respect of species, quantity and purity with the German Recommendations L II "Fuellstoffe fuer Bedarfsgegenstaende aus Kunststoffen" as issued by Bundesgesundheitsamtes (BGA) in Berlin.

In conditions of appropriate manufacturing there is no objection of use above mentioned material to fabricate "Lebensmittelbedarfsgegenstaende" in the mean of "Lebensmittel-, Bedarfsgegenstände- und Futtermittel-gesetzbuch (LFGB) §5 Abs. 1, Nr.1 and Nr. 5 (Spielwaren)".

The above mentioned products complies also with the standard FDA regulations 21 CFR §177.1550.

It is the customers responsibility to determine and decide, which of the above mentioned recommendations apply and suitable for its intended applications.
